

NARBERTH MEMBER COUNTY PRESIDENT

Mrs. A. B. Ross Honored by
Women at Hatboro
Meeting.

LOCAL WOMEN ATTEND

Mrs. A. B. Ross, a member and past president of the Women's Community Club of Narberth, was elected president of the Montgomery County Federation of Women's Clubs at the annual meeting at Hatboro last Friday.

Mrs. Ross will succeed Mrs. Richard J. Hamilton, of Ardmore. The election is regarded as a high honor for the local club, many of whose members attended the meeting, at which 450 delegates were present.

Mrs. Ross, now a resident of Cynwyd, moved to Narberth in 1917, and has been active in the local club ever since that time. She has sponsored the musical work of the club, having served as chairman of the Music Committee. For two years she was president, and has held other offices.

Mrs. Ross' daughter, Mrs. Gertrude Burrell, is the author of the official song of the County Federation.

The meeting was held at Hatboro with The Neighbors as hostesses. Mrs. John Ade, of the Hatboro Club, welcomed the delegates, touching on many points of interest. Mrs. Hamilton then called on the secretary, treasurer and committee chairmen for their reports, showing progress during the past year.

In her final report, Mrs. Hamilton stressed the co-operation given her administration by the women in the Federation. Mrs. John B. Brooks, of Narberth, presented the retiring president with a handsome colonial bouquet, the gift of the Executive Board and chairmen. She also announced a gift from the clubs of \$180 to the Mary Morris Hamilton scholarship fund.

"Gumshoe politics," tip toeing around made its appearance at the meeting, when an attempt to place a ticket in the field in opposition to the regular slate of candidates proposed by the Nominating Committee was made, but failed.

In addition to the election of Mrs. Ross, Mrs. William White, of Conshohocken, was elected vice president, Miss Alma Walton, of the Neighbors' Club of Hatboro, was chosen secretary, and Mrs. C. B. Moyer, of the Women's Civic Club of North Wales, was made treasurer.

CYNWYD MAY WITHDRAW

Contemplates Giving Up Narberth Pool Project.

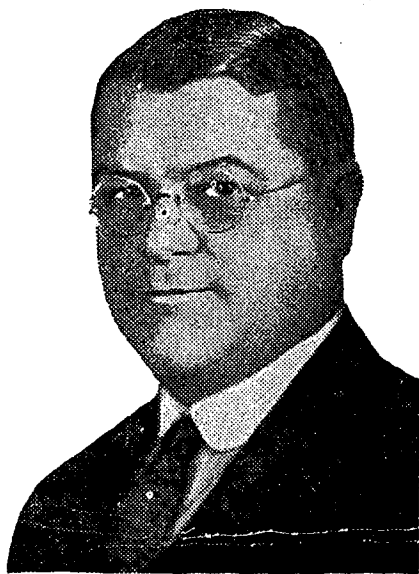

The Bala-Cynwyd Neighborhood Club will withdraw its support of the swimming pool contemplated at the Brynwood Manor Inn on Montgomery pike in Narberth if present difficulties with protesting Narberth residents cannot be satisfactorily adjusted. This was the statement made last week to the club directors by Harold Phillips, chairman of the special swimming pool committee.

Another report will be made by Mr. Phillips at the final meeting of the season of the club which will be held Tuesday night. If no settlement has been made by that time of the controversy the club will be asked to drop the pool idea for this summer.

Tentative arrangements for the support of a pool which the Brynwood Manor was planning to build were made some months ago by the Neighborhood Club. When news of the pool was published in "Our Town," however, objection was voiced by Narberth residents, neighbors of the inn who declared they were against a large pool because it would bring crowds and disturbing noises.

Borough Council, who granted a permit for the construction of a small pool, has not as yet been asked for permission to erect the larger structure. Several members declare they will oppose such a permit.

To Address Merchants

The Hon. James Slinguff Boyd, State Senator, who will address the Narberth Board of Trade at its meeting Monday night at the Brynwood Manor Inn.

KINDERGARTNER WILL TALK BEFORE MOTHERS' COUNCIL

Julia Wade Abbott to Address Meeting Monday Night.

Miss Julia Wade Abbott will address a meeting of the Mothers' Council on Monday night, May 23, in the auditorium of the Narberth School. Several weeks ago the Narberth School Board, on petition of the Mothers' Council, voted to establish a public kindergarten as a part of the school system.

Parents of children of kindergarten age have shown so much interest in the subject that it was considered wise to secure a speaker who could discuss the new trend in kindergarten work, its aims and ideals. The Mothers' Council feels itself very fortunate in securing the services of Miss Julia Wade Abbott, of Philadelphia, for this purpose.

Miss Wade is at present Director of Public School Kindergartens in Philadelphia. For previous experience she has served as supervisor of public kindergartens in Minneapolis, and as a specialist in kindergarten education in the Federal Bureau in Washington. Later she served as Educational Director of Pre-School Work of the American Child Health Association, of which Mr. Herbert Hoover is president.

It is interesting also to know that Miss Wade is Secretary of the World Federation of Educational Associations which met in Edinburgh, Scotland, two years ago, and will meet in Toronto this coming summer. Her national and international fame in connection with this work entitles her to speak with authority on her chosen subject, and it is hoped that everyone interested will attend the meeting. The meeting is open to all citizens of the borough.

MORE FOR RED CROSS

Additional contributions for the Red Cross Mississippi Relief Fund continued to come in this week, according to Mrs. H. C. Fenno, local chairman. The Narberth Post Office box collected \$16.10; Miss Marion T. Justice gave \$5, Mr. C. Howard Nold, \$5, the Thimble Club of Narberth, \$5, and Amy O. Hackley, \$5.

Correcting an error in "Our Town's" report of last week, Mrs. Fenno states that the Women's Community Club voted a donation of \$50 for the Red Cross Fund at their closing luncheon on May 10. A special collection of \$17 was also given at this time to the Fund by the members present at the luncheon.

EXHIBIT SKETCHES

The art work of two Narberth residents, and of a former resident, was exhibited at the sixty-third annual exhibition of oil sketches at the Philadelphia Sketch Club which closed last Saturday.

Two sketches by Mrs. Grace C. Batchelor, of 105 Chestnut avenue, were accepted by the committee, and one by her husband, Edwin C. Batchelor. Two also were exhibited by Miss Helen E. Shand, of Merion, formerly a Narberth resident.

Mrs. Batchelor is a member of the Narberth School Board and past president of the Women's Community Club.

Ardmore Chamber Talks of Nine o'Clock Curfew for All Under 16

STRETCH WILL RUN

Regardless of whether or not there will be other candidates in his field, Commissioner James Stretch, of the General Wayne district, will seek re-election to that post in the primaries in September. He announced yesterday that he would run.

"I will be a candidate," he said in reply to queries. "Further than that I have nothing to say now."

A club with the expressed purpose of backing a commission candidate other than Mr. Stretch was organized recently in the General Wayne district. As it has not as yet announced its man, Commissioner Stretch is the first to throw his hat in the ring.

MERCHANTS MEET MONDAY EVENING

Senator Boyd and Railroad Officials Slated to Speak.

EXPECT LARGE CROWD

Two good speakers have been secured for the May meeting of the Narberth Board of Trade to be held at the Brynwood Manor Inn Monday night. They are State Senator James S. Boyd, of Norristown, and R. P. Russell, Superintendent of the Philadelphia Terminal Division of the P. R. R.

The presence of these two speakers has assured the Board of a large attendance at the supper and meeting which follows. The meal will begin sharply at 7.00, with President Chris Koch in the chair.

The subjects chosen by the two speakers have not been announced, but it is expected that Mr. Russell's presence will have some bearing on the efforts of the Board of Trade to secure better station facilities. This will be Senator Boyd's first public appearance in Narberth since his election to the State post.

The Board of Trade, since its organization last fall, has had a highly successful career, with consistently large attendance. Two important projects have been accomplished. The first was an improved parking system for the business section, and the second, which the Board of Trade urged, was the installation of an adequate drain pipe in Haverford avenue.

This latter project is now being completed. Several other matters of interest to the business men are slated to come up Monday night.

CHANGE RECITAL DATE

Pupils of Main Line School of Music Will Be Heard Next Thursday.

The annual spring recital by pupils of the Main Line School of Music will be held at the Woman's Club Building, Ardmore avenue, on Thursday evening, May 26, at 8.15 instead of Friday as announced last week.

Those taking part are: Alice Grey Wood, Howard Wood, Harry Wood, Margaret Vail, Patricia Vail, Priscilla Janney, Carolyn Goldsmith, Elizabeth Goldsmith, Jane Morris, Lillian Baker, Josephine Baker, Lillie Henry, Gladys Rutter, Edward Tryon, Agnes Hegener, Edward Hegener, Clara Souder, Mary Andrews, Rosalie Murray and Jerome Weinstein. There will also be a violin duo, consisting of Mrs. S. B. Coggeshall, first violin; Mrs. J. R. Mickle, second violin, and Mary Smith, piano, and a quintette composed of Mrs. Coggeshall, Mrs. Mickle, Mrs. John M. Taylor, 'cello; Miss Smith and Mrs. Donald E. French, harmonium.

Invitations may be had upon application to the school, 107 Ardmore avenue.

W. M. S. MEETS

The Women's Missionary Society of the Lutheran Church will hold its monthly meeting at the home of Mrs. Warner, 523 Dudley avenue, Monday evening at 8 o'clock.

At 9 P. M. the fire siren will blow in warning; at 9.15 it will moan again, and by that time all boys and girls under 16 years of age will be required to be at their homes and preferably in bed. Such is the plan which the Ardmore Chamber of Commerce has for the youngsters who inhabit its up-and-doing metropolis.

Whether a nine o'clock curfew for children will be backed by the Ardmore Chamber is not yet certain. The matter was proposed at its monthly meeting held Tuesday night in the Ardmore Y. M. C. A. Some members greeted the idea enthusiastically, but others asked that counsel and advice be sought before the Chamber took definite steps to ask for a curfew.

It was decided that this should be done, and, as a result, Superintendent Charles P. Smith, of the township police; Superintendent S. Edgar Downs, of the Lower Merion schools, and an executive from the Boy Scouts will be asked to appear before the Chamber at its next month's meeting and give their opinions as to whether or no Ardmore's youngsters should be fire-sired to bed. An invitation to speak on the subject will also be extended to the secretary of the Lancaster Chamber of Commerce, where it is said a curfew for children already exists.

Bare Started It.

The curfew discussion was initiated by John Bare, who was chairman of the Chambers' recent banquet committee. He told of discovering one night three school boys smoking, one of them a whopping big cheroot. An inquiry as to the cigar being a heavy load for one of such years brought "nasty language."

"Something really ought to be done about some of these youngsters," Mr. Bare continued. "They are roving the streets entirely too late and they are picking up bad habits while doing this."

GOLDEN WEDDING

Mr. and Mrs. William J. Lawrence Celebrate Anniversary.

Friday the thirteenth was not an unlucky day for the Lawrences, of 117 Chestnut avenue. Friday, May 13, 1877, the marriage of Mr. and Mrs. William J. Lawrence was consummated. Last Friday a golden wedding anniversary was celebrated at the Narberth home of the family.

Children, grandchildren, relatives and friends were present, and presented the couple with gold pieces and many gifts, flowers and a memory book, which consisted of recollections, poetry and other compositions by old friends.

Among the guests were Mr. and Mrs. John R. Lawrence and their children, Barbara and John, of Wausen, O.; Mr. and Mrs. W. S. Lawrence and their children, Ruth and Billy, of Pittsburgh; Mr. and Mrs. Frank W. Lawrence, of Brookville, Pa.; Mrs. J. W. Outerson, a niece, of Modena, Pa.; Elsie H. Lawrence, a sister, of New York City, and B. Grace, Eva and Harriet, daughters, who reside with their parents on Chestnut avenue.

SHULL ADDRESSES CLUB

Reviews Progress of Rotary's First Year—New President in Chair.

Alvin E. Shull, past president of the Bala-Cynwyd-Narberth Rotary Club, was the principal speaker at the weekly luncheon of that organization held Tuesday in the Cynwyd Club. He reviewed the accomplishments of his administration just ended and made suggestions as to how still better work might be done during the coming year.

Dr. E. S. Deubler, new president of the club who was inducted into office last week, was in the chair for the first time. He announced that appointments had been discussed at a meeting of the officers the previous day but that as there were still some selections to be made, announcement of committees would be held over until next week.

Visitors at meeting were Reverend George Barnes, of Overbrook, Earl Ellis and Jack Murray.

Leads Local Nine

Fred Walzer, manager of the Narberth Baseball team, who will pilot his nine to Wayne this afternoon for the opening game of the Main Line League season. A veteran in local baseball affairs, manager Fred hopes to bring the pennant to the borough this year.

YELLOW CAB FIGHT STARTS UP AGAIN

Independent Taxi Men Oppose Petition for Extension to Suburbs.

TOWNSHIP BACKS THEM

The Yellow Taxicab Company, subsidiary of the Philadelphia Rapid Transit Company, is again attempting to secure permission to operate in Lower Merion, Narberth, Radnor township and other suburban communities in Montgomery and Delaware counties and once more local taxi men, backed by various township commissions and borough councils are organizing to repel the invasion.

The fight first began last spring when Yellow Cab appeared before the Public Service Commission to ask a renewal of its two-year certificate of operation in Philadelphia, and also permission to extend its operation to many of the Philadelphia suburbs. This request drew such a storm of opposition from independent operators that the Public Service Commission compromised, renewed the Yellow Cab certificate for a period of one year instead of two, stipulating that during this time the active operations of the company were to be confined to the city of Philadelphia.

This temporary certificate expires on June 1, and in filing a renewal application the Yellow Cab Company has asked again that it be given permission to operate in Philadelphia and "vicinity." By vicinity, the company means all of the more important suburbs in the Philadelphia district.

In its application, it goes ahead to name some of these communities in which it would operate. Among those named are Ardmore, Bryn Mawr, Cynwyd, Haverford

CONTINUED ON THE FOURTH PAGE

GARDEN SALE NEXT WEEK

Many valuable vegetable and flower plants have already been promised by owners of places for the Little Garden Day Sale to be held next Tuesday, May 24, at the Bryn Mawr Memorial Building, from 12-7 P. M. Generous donations have also been received from the local merchants. Mr. Alexander MacLeod will be on hand as a consultant.

The judges for the flower arrangements will be: Mrs. William C. Scull, of "The Gardeners," Mrs. Walter B. Stephenson, of "The Society of Little Gardens," and Miss Mary Evans, of "The Weeders." In case of rain the sale will be postponed until the following day.

WINS AWARD

Miss A. Genieve Coleman, daughter of Mr. and Mrs. George Coleman, of 105 Price avenue, won the first prize of \$100 offered by Henry B. McCormick for the best work done during the three years' course in nursing in the Harrisburg Hospital. The ward was made at the commencement exercises of the graduating class of 22 members held in the ballroom of the Penn-Harris Hotel last Friday.

BASEBALL OPENS AT WAYNE TODAY

Main Line League Season to
Get Started This
Afternoon.

BUILDING GRANDSTAND

The opening guns of the Main Line League will boom this afternoon when Narberth meets Wayne at the Radnor High School Field at 3.15. A gala occasion is being planned by the residents of the western metropolis.

Other games of lesser significance to local fans will be Gladwyn at Berywyn and Garrett Hill at Paoli. Thus will the first week see the battles all centered in the western theatre of the conflict.

Manager Fred Walzer is planning to take a winning team up the line, with every expectation of hanging the first of twenty dripping scalps in the trophy room. The preliminary twilight games have all shown that the local nine is hitting the pill in the fashion which made opponents tremble in years gone by.

Bill Durbin, who made his debut last Saturday against Ocean City, will take his place at third base as a regular today. The return of Narberth's popular athlete and real estate man to the local fold has been a piece of good news to the nine. It has meant the passing up of some lucrative offers from out-of-town teams, and Bill's place in the line-up will play a big part in Narberth's work.

Mickey Burns will be behind the plate this afternoon. He is another star in the local firmament who has wandered away for a time. He will be a familiar and welcome sight at the home station.

Today's line-up will be chosen from Keyes, Turner, Young, Davis, Gibson, Hanke, Hamilton, George and Verny Fleck, Babb, Mulligan, Yocum, Chalfant, Graham, Blessing, Gilfillan, Durbin, Burns and Heckel. There is plenty of material on hand for a winning aggregation.

Manager Dunne, of Wayne, has announced his tentative lineup for Saturday's game as follows:

Howson, catcher.
Walker, Nelson and Brooke, pitchers.
Mitchell, first base.
J. Dorsaneo, second base.
Wallace, shortstop.
Cy Cornog, third base.
McCue, Murphy, Lentz, Conway, Lichtenfeld and Kelly in the outfield.

CONTINUED ON THE SECOND PAGE

L. M. HIGH AGAIN WINS

Annual Track Meet at Radnor, 71-37.
Takes Three Firsts.

Lower Merion again won its annual track meet with Radnor, when it piled up 71 points against Radnor's 37, at a meet held Wednesday afternoon in Wayne. All three places in the half mile, high jump and discus throw were won by the Maroon and White, and also first and second place in the mile and the pole vault.

Darlington, of Radnor, surprised Lower Merion by outpacing Houseman of the local team in both the 100 and 220 yard events. He also won the 220 yard low hurdle race, in a winning streak which enabled him to become the high scorer of the meet.

INVITE GARDEN EXHIBITS

All amateur gardeners along the entire Main Line district have been invited to exhibit at the annual flower show of the Garden Club, of Bala-Cynwyd, which will be held on June 4, at the Woman's clubhouse, Cynwyd. There will be prizes and ribbons awarded for each class. Information about the show may be had from Mrs. W. G. Littleton.

MAKE LAST CALL

A last appeal is made for goods for the rummage sale which the Evangel Circle of King's Daughters will hold Wednesday and Thursday. Friends of the Circle are requested to call Mrs. H. W. Derby, at Narberth 382-W, that she may arrange to have goods called for.

OUR TOWN

Echoes of The News

President Coolidge is said to have a slight sprain in his wrist, but that oughtn't to worry him. He does not play golf.

Will Rogers wants to debate with Billy Sunday on the question, "Resolved that the talk and arguments used for and against prohibition are worse on the public morals than the drinking." He offers to take either side of the question. Aimee McPherson is his second choice for the debate.

Maybe Earl Corroll got sick from worrying whether or not Atlanta has bathtubs.

Daniel Webster's hat has been found. There are no openings, indicating that anciently the politician did not esteem it necessary to talk through his headgear.

Reference to the three graces may seem old fashioned; but it may be that the flood sufferers hope because they have Faith in Charity.

Elmer Gantry was the sort of book that needed the extra advertising given it by Boston.

Senator Carter Glass proposes that the 1928 Democratic Convention be held in Washington, D. C. There is at least one thing to recommend the suggestion. It would give a lot of aspiring politicians an opportunity to see the national capital.

The repairs on the White House will make that famous residence still more attractive, but plenty of people were trying to get the lease of it before.

The cables from Italy say the stork is hovering over the Mussolini home. A waiting world which has wondered what the duce to do about colic, may soon know.

Back in the days of Jack Johnson, colored pugilist, there was a great hunt for a white hope. Just now the Democrats are looking for one amid the dark horses.

Senator Hi Johnson says he is cured of the bite of the Presidential bug, and we always said it was wonderful what the California climate could do.

Clarence Darrow complains than man is caught between an unknown past and an undefined future. Let him get married and he can easily be rid of any unknown past.

We hope Mr. Ford had some accident insurance to tide him over until he can get back on the job.

Hoover's position on foreign loans is rather ambiguous. He admits that the volume of these loans is becoming dangerous to the United States' financial security, yet is opposed to any interference with private interests. One could expect him to feel that way about it.

William Allen White, skipper of the Emporia Gazette, pulls this mean one: "A magazine in the East recently wrote to President Coolidge to know whether or not he would be a candidate for another term in the White House. For three weeks the editor has been watching the mailman, and no answer has come. Do you know why? We some way have a sneaking idea that he failed to enclose a stamp for reply."

The League of Nations wants us to ban poison gas with a Presidential election coming on next year. That's nerve for you.

The Boston Transcript asks: "Why not call it Follywood?" This seems to us like a sheer waste of wood.

Frieda Hempel, opera star, is suing for \$1,000,000 on an alleged breach of promise. It remains to be seen whether Frieda can touch these last high notes.

By giving the air to a lot of so-called wave pirates, the new Radio Commission will be in a position to give the air to legitimate stations.

TRACK TEAM TOPS FIELD AT LEHIGH

Norristown and Bethlehem
Outpointed by Lower
Merion.

BALL SLUMP CONTINUES

Lower Merion High School won the Pennsylvania Interscholastic Athletic Association meet held Saturday at Lehigh University, and with it the championship of District 1. The Maroon and White trackmen topped Bethlehem which finished second by three points, and Norristown, which ran third, by three and one-half points. It was the third time this season that the Merion men vanquished their old rivals from Norristown.

By copping the district meet Saturday, the Grossman coached athletes made it a clear sweep for the season. From every meet in which the Merion track team has taken part in this year it has emerged the victor. By doing so it upset all pre-season dope.

The Maroon and White cinder path team started the season with the services of only three letter men. Composed largely of green men, it was granted little chance of equaling the brilliant record of last year. The Merion team however, quickly set out to prove its worth.

Haverford School was the first victim to succumb. This game was closely followed by a creditable showing at the Penn relays.

The first real surprise came when Lower Merion topped the Class B field at the Swarthmore College Interscholastics. The second miracle happened last Saturday at Lehigh University, when Lower Merion continued its winning streak by taking the District 1, A. P. I. A. A. championship from Norristown and Bethlehem by the close score of Lower Merion, 24½; Bethlehem, 22½; Norristown, 22.

Houseman and Corrigan were the outstanding luminaries for the Ardmore institution, Houseman taking seconds in the 100, 220, and a third in the broad jump. Corrigan gleaned two first places, in the high jump and broad jump respectively.

Although Lower Merion only qualified two men for the State championship meet held at Bucknell University tomorrow, her chances are good for a second State championship should Houseman and Corrigan come through in good style. Bethlehem, however, has the edge.

Baseball Slump Continues.

In baseball two snags were struck in Radnor and Abington, both games being played on the opponents' fields. The first game with Radnor Friday afternoon spelled defeat chiefly caused by an unfortunate start.

Six runs were garnered by the Wayne nine in the first inning. Dohan clearly had an off day and was relieved by Tyson, who held Lower Merion's old rivals to an 11-7 score. Both teams' batteries were heavily bombarded.

Lee, of Radnor, hit a home run in the first inning with the bases loaded. Harris, of Lower Merion, duplicated the feat of the Radnor diamond slugger in hitting a four-base clout with one on.

Later, Eyre, of Radnor, pelted another one to the fence for Radnor's last score. Harris, Haskell and Richardson proved the big guns in the Merion lineup.

The shock caused by the Radnor defeat seemed to despirit the Lower Merion nine when it met Abington Tuesday afternoon on the latter's field. Somehow the Merion men couldn't get started, and Abington had things its own way after the fourth when four runs were scored.

The L. M. H. S. ball tossers only scraped three hits from the Abingtonians. Tyson, who relieved Dohan in the fourth on the mound, made two of the three connections.

The members of the Senior Commercial Class presented "His Model Wife," a one-act play, to the school last Friday morning in assembly. The play was cleverly acted. Miss Lewis, of the Commercial Department, coached and supervised the play.

Tuesday morning produced another play under the auspices of the Sophomore Dramatic Club. "Who's Who" proved a humorous sketch of mistaken identity and showed the results of much coaching and work on the part of Miss English, of the English Department.

The Senior Class concludes its studies of the school career on Friday morning, June 3, with a farewell program. At a Senior Class meeting last Tuesday afternoon the class present, the Senior trip, commencement arrangements, and a financial report were discussed.

How a Very Warm Day in Summer Can Make You Think About Next Winter's Coal

It is summer. Red hot. So oppressive is the atmosphere that your thoughts turn to cooling images in hope of some relief:

A cool, gurgling brook—a ride in a motor boat, your face wind-beaten—a trip to Canada—a snow storm—ahh!—remember that blizzard of last winter!—how the drifts piled up, how you dug a path to the front steps—how the next second it was covered up again by the whirling flakes? How you ran indoors, saying: "Let it snow!" Indoors, where your easy chair invited, and a pleasant warmth prevailed? How your chilled bones responded to the comfort and you remarked to the cosy atmosphere: "Let it snow!"

It is at this point in your train of thought that the brakes crash on to the signal, "By Jove! I must order my NEXT winter's coal!"

Then you call us.

An

Opportunity for Residents of the Main Line in Advance of Our Formal Opening.

Dear Mr. and Mrs. Main Liner:-

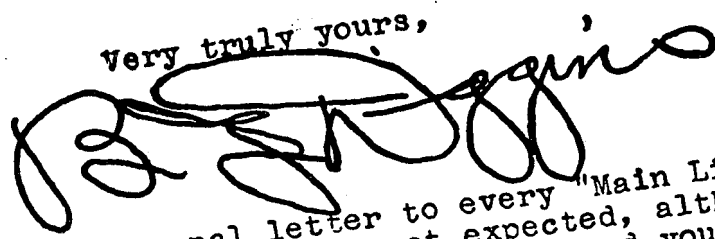

I am opening a new community that will be known as Strafford Hills - on the Main Line. This community has been divided into plots large enough to really call them "Miniature Estates."

The topography of this community is positively the most delightful you have ever seen - and I write that advisedly -- rolling hills, studded with gorgeous old shade - winding roads lined with stately trees - and in the center of it all is our community park and playground. This park has cost nearly One Hundred Thousand Dollars and when you see it you will realize that there is a feature so exclusive with Strafford Hills that the very desire to live amid its beauty brings a great enhancement of value to every home-site.

To work in with our general plan, we have set aside one of the many homes now erected on the property and have had a very famous interior decorator furnish it in every detail as a true Spanish Home. This home we have named - "The Don Quixote Home." It is magnificent....with all the splendor of Spanish beauty, and in itself affords a fund of interest that is well worth coming to see.

In closing, may I not bring this fact to your attention -- when a developer opens a new tract, he never prices his properties at their ultimate value. Part of every large property is sold from one fourth to one third under its market value in order to get things moving. Your opportunity is now -- before this property is formally announced to Philadelphians.

Very truly yours,

P.S.: While this is a personal letter to every "Main Liner" -- the courtesy of an acknowledgement is not expected, although a personal visit to "The Don Quixote Home" by you and your family will be appreciated.

Transportation

By Auto - Straight out the Lancaster Pike to Eagle School Road to Strafford Station, then 600 feet straight ahead to property.

By train - Penna. Railroad Broad Street Station, any train that stops at Strafford, 600 feet to property.

By High Speed Electric - Elevated from Broad Street Station to 69th Street. Then Phila. & Western to within 600 feet of property.

OUR TOWN

The FIRESIDE

Mrs. Marshall Ford, of Lee, Massachusetts, is visiting her daughter, Mrs. H. C. Fenno, of 600 Essex avenue.

Mrs. William Barlett is spending the week-end in Atlantic City, N. J.

Mrs. George H. Fortenbacher, of 215 Lantwyn Lane, will leave soon for a trip to Pittsburgh.

Mrs. Arthur L. Cooke, of 207 Lantwyn Lane, was hostess to her bridge club last Thursday evening. Her guests were Mrs. L. Fielding Howe, Mrs. S. Newman, Mrs. John C. Nash, Mrs. George L. Burnett, Mrs. H. Burgend and Mrs. C. E. Anderson.

Mr. and Mrs. William E. Boryer and Miss Shirley Boryer, of 151 Merion avenue, are spending the week-end in Washington, D. C.

Mr. and Mrs. F. Turner, of Wyethville, Virginia, are visiting Mrs. Turner's father, Mr. W. J. Peebles, of Iona avenue.

Mr. and Mrs. William A. Webb, 3d, of Wynnedale Road, are being congratulated on the birth of a son. Mrs. Webb before her marriage was Miss Elizabeth Sheller.

The Friendship League of Narberth will hold a big social next Thursday evening, May 26, at 8 o'clock, in the Lutheran Church.

Among Narberth's new residents will be Mr. John A. Wesper and family, who have leased a home at 159 Merion avenue.

The Narberth Coal Company has added a new three-ton truck to their delivery fleet.

ALUMNI DAY NEXT WEEK AT HAVERFORD COLLEGE

President Comfort Will Hold Reception for Graduates.

Haverford's 1927 Alumni Day has been fixed as Thursday, May 26th. Heeding the long-standing demand for an Alumni Day with an important 'varsity athletic event as its feature, Chairman Abram G. Tatnall, '00, and his Alumni Day Committee, made a definite departure from the practice of the past several years at the committee's meeting last week and selected the date mentioned because of the college activities already scheduled to take place.

The feature of the afternoon of Alumni Day will be the University of Pennsylvania baseball game on '22 Field, and it is expected that considerable interest will also be shown by Haverford alumni in the forty-first annual track and field meet of the Inter-academic Athletic Association which will take place on Walton Field on the same afternoon.

The May 26th program includes the usual Alumni Golf Tournament in the morning over the St. Davids course. Informal competitions in tennis and cricket will be staged at the college during the forenoon. President Comfort's reception to the alumni at his home on Walton Road will take place at 5 P. M. and is a new feature of Alumni Day which is expected to prove popular.

The annual business meeting of the Alumni Association, including election of officers for the coming year, is planned for 6 P. M. on Thursday, and will be followed by an Alumni Supper, which will be eaten on the campus if weather conditions are satisfactory. At 8.30 P. M. the Cap and Bells Club will give its annual production, this year's selection being "The Hottentot." An informal dance, to be held in the gymnasium after the play, is under consideration by the committee.

The committee responsible for the new arrangement of events is headed by Abram G. Tatnall, '00, chairman, and includes Henry W. Stokes, '87; H. Norman Thorn, '04; Wilbur H. Haines, '07; Charles L. Miller, '08; Joseph Bushnell, 3d, '08; George A. Kerbaugh, '10; Herbert V. B. Gallagher, '11; Albert G. Garrigues, '16; William Jenks Wright, '18, and John R. Hoopes, '21.

PLAN GARDEN PARTY

Bala-Cynwyd Club Will Hold Affair Early in June.

The Woman's Club of Bala-Cynwyd will give a garden party at their new clubhouse, Bala avenue and Levering Mill Road, on Wednesday and Thursday, June 8 and 9.

There will be useful articles and novelties under the direction of every description under Mrs. N. J. Stewart; men's articles by Mrs. Walter Neely; home-made cakes, Mrs. Warren Miles; home-made candies, Mrs. Mary Stewart Gibbons; ice cream, Mrs. H. A. Ferreira; lemonade, Mrs. Le Roy A. Worrell; fish pond and grab bag in charge of the Juniors; flowers, Mrs. Leigh Hoff and Mrs. Frank Allen; sports and games, Mrs. John Young.

Miss Ethel Tily has charge of the foyer, where bridge may be played all day long, a prize being provided for each table. Fortunes will be told by Mrs. T. E. Benade and Mrs. A. C. Delaplaine, who have professional standing.

INDEPENDENT TAXI MEN FIGHT YELLOW CAB PLEA

CONTINUED FROM THE FIRST PAGE

and Rosemont in Lower Merion township, Narberth Borough, Radnor, St. Davids, Villanova and Wayne in Radnor township, Brookline in Haverford township, Valley Falls and Abington in Abington township, Jenkintown Borough, Ogontz and Elkins Park in Cheltenham township, Philmont in Moreland township, Erdenheim in Springfield township, Fort Hill in Whitmarsh, and in addition to this, practically all the townships and boroughs in Delaware county from Upper Darby down to Chester City.

A hearing on this new application of the Yellow Cab will be held before the Public Service Commission in Room 496, Philadelphia City Hall on May 26. A large delegation of independents is expected to attend to protest the extension of the Yellow Cab territory. Backing them will be representatives of many townships and boroughs whose governing boards object to having other than locally owned cabs allowed on their streets.

Many of the independents have already retained attorneys to represent them at the session. Some of these and their counsel are Suburban Cab Company, of Ardmore, by Evan Lewis; Kromer Brothers, of Cynwyd, by Frank Harrigan; Walter Roser, of Narberth, by Henry Frye. In addition to these, representatives of Parker S. Williams' office, township solicitor for Lower Merion, and Fletcher W. Stites, solicitor for Narberth, will attend to protest the extension.

Last year when the Yellow Cab made its first request to actively enter the suburbs, the independents based their then successful fight against the Mitten subsidiary largely on the fact that all the regular cab stands at various railroad stations were in independent hands through agreements with the Pennsylvania Railroad and contending that if the Yellows were to enter the suburbs, they would have no stands and would be forced to cruise about the streets. The street cruising argument brought strenuous objections from township and borough authorities who objected to having present traffic congestion increased.

This year when the Yellow Cab made plans for another request for permission to go into the suburbs, high officials of the Philadelphia Rapid Transit went over the head of J. O. Hackenbush, superintendent of the Philadelphia terminal division of the Pennsylvania Railroad with overtures that the leases for cab stands at the suburban stations now held by independents be turned over to the Yellow Cab. This move has failed so far and has caused some resentment among the railroad officials in active charge of the stand renting. The independents have been quick to avail themselves of this opportunity and have been busy lining up these officials on their side in the fight against the city taxi corporation.

When it was learned last week that the Yellow Cab had again filed application with the Service Commission for extension to the suburbs, Burgess Frye, of Narberth, and Chairman William Sherwood, of the Lower Merion township police committee, forwarded copies of resolutions passed last year by Narberth and Lower Merion officials endorsing home taxi operators and protesting against use of local streets by cruising Yellow Cabs.

This week the Yellow Company suffered another setback when it requested the Lower Merion commission, at its meeting Wednesday night to endorse the Yellow's new application for a certificate of public convenience. The request was refused first, on grounds that the increased cab service would not compensate for the increased traffic congestion and second, that the township already has sufficient service from local cabs.

An official expression similar to this, it is expected, will be made by Narberth Council at its next meeting.

The Yellow Cab in its application recites that it has 1063 cars available for service.

MRS. ROSS ELECTED

CONTINUED FROM THE FIRST PAGE

The gumshoe politics first made its appearance Thursday night when a "secret ballot" was received by club presidents in the federation. This ballot supported a woman for president other than the name appearing on the "official ballot" which was handed to each delegate as she arrived at Friday's meeting.

Mrs. John B. Brooks, press chairman of the Federation, member of the Narberth and formerly of the Ardmore Clubs, was down for president in the place of Mrs. Ross, who was the choice made several weeks ago by the official nominating committee.

The "anonymous nominating committee" also sponsored Mrs. William White for vice president. Mrs. White was likewise the choice of the official committee. No indication was given as to who the author of the "secret ballot" was.

When the nominations were opened Mrs. White arose to speak. "There has been a great deal of discussion about the ballot which all club presidents received last night," she said, attacking the unofficial nominations. "My name appears on this ballot as candidate for vice president, but I want you to know that I had nothing to do with sending out this ballot. I do not know who sent them out but I do know that I never thought of such a thing."

Mrs. Brooks at once arose and denied that she likewise knew anything about the card. When nominations were called for later, the name of Mrs. Brooks was placed in the running for president. The results announced later in the afternoon showed that she had been defeated by Mrs. Ross, the regular candidate.

Members of the Bala-Cynwyd Woman's Club took part in the entertainment program given for the Federation during its meeting. Mrs. A. K. Gregory presented bits of original poetry and Mrs. McCarthy Hanger, accompanied by Mrs. Leo McHale, gave soprano solos.

Mrs. A. Conrad Jones, Vice President of the Federation, made the following awards: For attendance at three meetings during the year—North Wales Civic Club. For 17,630 trees planted, The Neighbors, of Hatboro. For

MORE DONATIONS TO RED CROSS FUND

Narberth Residents Help to Swell Contributions This Week.

NO CLOTHING NEEDED

The Main Line Branch, No. 1, American Red Cross, appreciates the generosity of the people who have sent clothing for the Mississippi Flood sufferers. At present there is no further demand for second-hand clothing and so until there is another special request from the Red Cross we will not call upon the community for this type of service.

Bulletins from the South still show urgent need of financial assistance. Contributions from the following are therefore gratefully acknowledged:

The Infant School Society of Philadelphia, \$100.00; Narberth Community Club, \$17.00; People of Narberth, \$84.00; Main Line Branch Montgomery County Medical Society, \$50.00; Washington Camp, No. 447, P. O. S. of A., \$10.00; Business and Professional Women's Club of Ardmore, \$10.00; Narberth Girls Scouts, \$10.00; Women's Club of Bryn Mawr, \$25.00; Narberth Presbyterian Church, \$37.00; Matthew Simpson Memorial M. E. Church, Ardmore, \$70.00; Jr. Branch of Women's Club, Ardmore, \$50.00; First Presbyterian Church of Gladwyn, \$56.15; Employees of Main Line Bell Telephone Company, \$15.25; Llanerch Junior Club, \$10.00; Girl Scout Troop No. 30 of Ardmore, \$12.50.

NAR-MER TAKES LEAD

Elephants and South Side Close Battles.

On Saturday, May 14, the tie for first place in the Junior Main Line League was broken when the Narberth team defeated the Elephants; 11 errors lost the game. In the eighth inning, Nixon hit a single that brought in Frazier with the winning run. The box score:

ELEPHANTS

\$112,055 FOR ROADS

Montgomery county's share of the \$5,000,000 State aid appropriation for roads is \$112,055.84 for this year, it was announced at Harrisburg this week. This year's appropriation is a several thousand dollars' increase over 1926, according to County Commissioners Stout, Crawford and Keeler.

RECORD ENTRIES

Devon Show is Promised to Be "Best Ever" This Year.

The closing of this year's entries for the Devon Horse Show marks what is probably the largest registration of strictly horse show entries ever recorded for that affair. Eighteen hundred separate entries will be seen in the tan oval at Devon this spring, now recognized as the classic outdoor event of its kind in America.

Hunters, saddle horses, hackneys, harness horses and ponies in all classifications, including children's entries, have been recorded and the latter classes will be shown in the late afternoons and on the holiday so that the youngsters can show their pets themselves.

One of the most spectacular and greatest of classes to be shown at Devon this year is scheduled for Memorial Day and will be seen in the late afternoon. This is the picturesque hunt team class, which has fifteen entries of hunt teams composed of three hunters each, a total of forty-five horses of the best hunting blood in America, all riders to be in full hunting club colors and equipment and will enter the tan oval in array formation to the old and appropriate hunting song, "Old John Peel."

This spring the fair sex will be in greater evidence than ever before, they constituting the majority of both old and new exhibitors. The record discloses forty new exhibitors this year, among which are many amateurs. Sir Clifton Sifton and Miss Jean Brown Scott have made the largest number of individual entries. Their registration is about equal, with a total of eighty-five each.

Mrs. N. Myers Fittler, Executive Chairman of the Country Fair Section of the Horse Show, reports that all of her committees are enthusiastically at work in their varied activities to make the English village which lines both sides of Easy Street, the scene of a veritable five-day festival.

Miss Augusta Harrison, the only woman directly identified with the men's Executive Committee, as Chairman of the Prize Fund, is greatly encouraged with the co-operation on the part of the donors.

All of the boxes have been taken for the past two weeks and the great crowds of horse lovers who will attend the event will be pleased to know that the Executive Committee, which is composed of Isaac H. Clothier, Jr., R. M. Carpenter, James A. Emmons and William H. Wanamaker, Jr., are considering building additional boxes next year in order to accommodate the long waiting list now registered for boxes.

Eighty-two stables which are to be known as the pony stalls are now nearing completion, and the famous Devon Polo Field is already in gala attire for the event.

Mrs. Harry C. Thayer, of the Devon Cabaret Dinner Dance, reports that Mr. Charles Morgan will have a men's chorus of twelve voices from the Penn. A. C. to give a selection of songs as part of the cabaret show at the Devon Inn, to be held on Saturday evening, May 28.

Miss Katherine Rogers, Betsy Thayer, Mary Peel and Mary Clark will perform a clog dance. Mr. Marcel D. M. Ventura, the noted soloist, also will sing while Miss Marie Louise Cadwalader will give a Spanish dance as well as several selections.

"FIRE" NEXT DOOR GAVE COMPANY A RECORD RUN

The Bala-Cynwyd Fire Company broke all records in responding to an alarm Tuesday noon. It made the run in the time of practically "nothing flat." The speedy response was made possible by the fact that the "fire" was within one block and ladder's length of the firehouse.

It began when the attaches of the Cynwyd office of the Philadelphia Electric Company, at Tregaron road and Montgomery pike, directly opposite from the firehouse began to burn some rubbish left over from recent building operations. An excited householder nearby sighting the flames rushed to the telephone and turned in an alarm.

Among the volunteers who dashed to the firehouse in response to the siren's call, was one who had been helping tend the rubbish fire. He and the others of the band who assembled at the firehouse were at loss to understand the cause of the alarm until a check-up was made and the actually burning pile a few feet away was pointed out as the "fire."

The volunteers disbanded as an irate chief got on the telephone to trace the thoughtless sender of the alarm.

Montgomery county produced more pears during 1926 than any other county in the State.

Bit o' Pep

Miss Sidney Sharp was snapped at Wynnewood last week just before entering the ring as she received final instructions from her father, David B. Sharp. Her mount, Bit o' Pep, Victor C. Mather, Jr.'s, pony was a consistent winner.

TOWNSHIP TAX IS COUNTY'S LARGEST

Property Valuations Still Exceed Others in the County.

NORRISTOWN IS SECOND

Lower Merion continues to lead the county in real estate valuation with the new high mark of \$67,355,885, according to records just compiled at Norristown. The county seat is second with a total real estate valuation of \$28,390,445.

Cheltenham ranks third with \$22,911,325; Abington fourth with \$19,446,115; Upper Merion, fifth, with \$15,237,090 and Pottstown, sixth, with \$12,782,870.

Compilation of the annual Montgomery county assessment report by Harry S. Shainline chief clerk of the county commissioners, shows the record increase of \$8,373,115 in the aggregate value of all property taxable for county purposes this year, compared with the total of 1926.

The aggregate total of taxable property, which includes real estate, horses, cattle, etc., in the county this year is \$242,769,040. In 1926, the total was \$234,395,925.

At three mills, this will net the county \$728,307.26 compared with \$703,187.92 last year.

County Total \$262,684,310.

County Clerk Shainline's tabulated figures, which were certified to Harrisburg this week, list the value of all real estate in the county at \$262,684,310, which is \$9,147,570 more than the \$253,500,740 valuation of last year. On this year's tabulation, real estate valued at \$35,496,725, including county, municipal and church properties, is on the exempt classification. Last year the real estate exempt from county tax was \$34,726,215.

The value of real estate subject to county tax of three mills this year is \$227,151,585 compared with \$218,774,525, an increase over last year of \$8,377,060.

MAIN LINE LEAGUE TO OPEN TODAY

CONTINUED FROM THE FIRST PAGE

Narberth's home opening game will be next Saturday afternoon, when the Paoli railroaders will be entertained. The ball club is planning for a big occasion, with a parade and all. It is expected that a record crowd of fans will be on hand to start things off right on the home grounds.

At a meeting Monday George R. Markle was given the contract for constructing the new grandstand. It will be 75 feet long, and will accommodate 400 people. A roof is being provided and dug-outs will be located at each end.

The structure, which is now well under way, is located on Wynnewood avenue, along the third base line. Work is being rushed, so that it can be put in service without delay.

At the May meeting of the school board on Friday night of this week it is hoped by the team that a substantial contribution will be granted toward the cost of the grandstand.

Members of the board have expressed themselves as in favor of the grant, which would be made out of the board's funds available for use on the Recreation field. Council voted \$500 at its May meeting.

KIWANIS DISCUSS BUSINESS ETHICS

Competition and Recent Discoveries Described to Members.

PLAN BOYS' CAMP TRIP

The regular weekly meeting of the Main Line Kiwanis Club was held last Tuesday, May 17, at the Casa Del Rey, Haverford, the attendance prize being contributed by Harry Freed and being won by Alexander Ferguson.

Among the welcome faces at the meeting was that of Fred C. Peters, who has been absent for some time at the legislative session at Harrisburg. Fred was warmly welcomed back into the active attending members of the club and responded amiably to President Meredith's address of welcome.

The condoleance of the club was extended to Joseph J. Derham, who was at that time in the Bryn Mawr Hospital following an operation for appendicitis.

Dr. James L. Shoemaker reported on behalf of the Under-Privileged Child Committee and announced that in accordance with a resolution of the club, he had arranged with the Norristown Kiwanis Club to send to the Norristown camp during the coming summer fifteen under-privileged boys from the Main Line community, all the expense of the boys' trip to camp to be borne by the Main Line Kiwanis Club.

William H. C. Ramsey, of Bryn Mawr, a member of the club and chairman in charge of the Committee on Business Standards and Methods, was the chairman in charge of the meeting. Mr. Ramsey himself was the speaker of the evening and delivered a very well prepared address on the subject of "The New Competition in Business."

William J. Byrnes, Jr., chairman of the Committee on Kiwanis Education, was delegated to take charge of the meeting which will be held on Monday, June 6, in conjunction with the International Convention, which will be held at that time at Memphis, Tenn.

NARBERTH WINS THIRD STRAIGHT GAME, 8-4

Ocean Gate Swamped—No Game Wednesday—Pay Wayne Today.

Narberth's nine added another game to its list by defeating Ocean Gate last Saturday, 8-4. Keyes led the hitting with three safe slams. Bill Durbin added strength to the infield. Banes' fielding starred for the visitors.

Wednesday evening's game with Clearview was called off on account of the rain.

Today the Main Line League season opens, with Narberth playing Wayne at Wayne. Fans are invited to help with their presence.

Monday Narberth will travel to Broad and Clearfield streets to play the fast Kensington Club, in one of the home team's few out-of-town games. Fans are invited to meet the crowd at Dave's and go along.

Wednesday evening the Oriental K. of P. will play Narberth on the Community Playground. The visitors are one of Philadelphia's fastest clubs. The game promises to be snappy and interesting.

The score for Saturday's game with Ocean Gate follows:

CIVIC BODY AT MERION RE-ELECTS

Association Makes Thomas Shallcross a Vice-President.

TWO NEW DIRECTORS

All officers, with one exception, and all directors with two exceptions were re-elected at the fourteenth annual meeting of the Merion Civic Association, held Tuesday night in the Merion Tribute House. Thomas Shallcross, former chairman of the Merion Zoning Committee, and a member of the Lower Merion Zoning Adjustment Board, succeeds Samuel L. Clark as a vice president, and J. Harry Anderson and William H. Harman are new directors of the association.

J. S. W. Holton was re-elected as president, and George F. Pettinos and John Dashiell Myers were continued as vice presidents. Other officers re-elected are: William H. Folwell, treasurer; Mrs. Percy F. Matthes, secretary; and William J. Conlen, chairman of the board of directors.

The 25 directors of the association chosen were: J. Harry Anderson, Mrs. T. W. Andrews, T. Dun Belfield, Edward W. Bok, Fred Brill, Samuel Clark, William J. Conlen, Edward C. Dearden, Henry Delaplaine, Percy E. Foerderer, William H. Folwell, Clarence E. Hall, William H. Harman, J. S. W. Holton, Robert J. Hughes, William M. Knatz, Mrs. Harry E. Kohn, John McConaghy, Clarence A. Musselman, John D. Myers, Frank C. Pequinot, George F. Pettinos, William A. Powell, Thomas Shallcross, Edward G. Wyckoff, Jr.

Edward W. Bok, who was nominated chairman of the meeting, gave a brief history of the Merion Civic Association, which consisted 14 years ago of 30 men who met at his home to discuss plans for the betterment of Merion.

"Everything planned has been done," said Mr. Bok, "and the Merion of today is the ideal community, with nothing undesirable in it." Apropos the Barnes Foundation-Civic Association-Township Commission controversy over zoning, Mr. Bok continued, "We do not even have a negro school."

"But we still have hopes!" chuckled someone in the audience. This was the only reference made to the Barnes-Moss controversy in the course of the meeting.

The annual report of the association, read by President J. S. W. Holton, referred to zoning as follows: "It is the confident hope of all residents of Merion that the ordinance as administered will give to our community the fullest measure of protection against future exploitation by business enterprise, or other encroachments upon the strictly residential character of the neighborhood."

"To this end, however, property owners, while properly relying upon your association for active support, should realize that they must take the initiative in any movement for prevention or redress necessary for the protection of their interests."

Improved postal service, better co-operation of the railroad for parking and other privileges, continued care for roads, public safety, water, milk, lights and other details, comprised the report for the year 1926, dated May 17, 1927.

The association numbers 633 members, of which 330 are men and 303 are women. Thirty-eight new members were reported. Receipts from dues for 1926 amounted to \$8,447.03. Total receipts for the year were \$9658.68, and expenditures amounted to \$9,616.34.

Only 70-odd members were present at the meeting, the business portion of which was brief and devoted to matters of a routine nature. Refreshments were served at the conclusion of the meeting, under supervision of the secretary, Mrs. P. E. Matthes.

Feats of magic and a musical entertainment followed the business meeting. Popular numbers were rendered by a lyric trio composed of Miss Dorothy Powers, harpist; Mrs. Ernestine Bacon, soprano, and Miss Florence Huellen, violinist.

The second Liberty bonds have done their bit and will be demobilized November 15.

"Talking with Professor Wheeler, of Princeton, head of the Latin department, I learned that only freshmen there are required to study it," says Girard in his "Talk of the Day" column.

"Once Latin pursued students right up to commencement and so did Greek. Seemed more important then to know two languages dead about 2000 years than to study things which might unravel future mysteries."

"Now, Latin and Greek are dying again and you can tell the difference in everyday life."

"New things today—barring always the world of drugs and doctors—get names anybody can understand."

"Just compare your auto, if you doubt my word, and your own body. The parts of your auto are easily and simply named in Twentieth century fashion."

"The parts of the human frame were catalogued by scientists centuries ago who deemed it smart to tag things with Greek and Latin names."

"And most of your medicines—lubricants of the human machine—are also named that way, but not so the oils and grease in your auto."

"A hood covers your auto engine. You can understand that. But the little elevation on a part of your ear is an antihelix, which is bigger than the thing itself."

"Your balloon tire is a big, soft one and a baby knows what it means. But your hard artery lugs a terrific name, arterio-sclerosis."

"A windshild carries its own simple meaning. No dead Caesar figured in its naming."

"When the air passage in your throat gets a bit too big, the doc tells you it is bronchitis."

"The thing which tops your car—I don't mean a traffic cop, but the mechanical device—is a brake. Very simple and easy to remember."

"When the specialist listens to your heart beats to see if your human brakes are O. K. he uses a sphygmograph, which is enough to stop the stout

GIRL SCOUT NEWS

Conducted by Mrs. Victor L. Zelov.

Young Women Wanted!! Young women who are interested in the out-of-doors, and generally making the everyday life around us fascinating to the younger girls of the Main Line! The Main Line Committee is anxious to add to its group of leaders, young women who want to help in making future good homemakers and citizens. Girl scouting is such fun! It is a combination of joyous planning, doing and sharing. Eleven national training camps will give fascinating courses for leaders and prospective leaders this summer from June to September. From Plymouth, Massachusetts, to Cloudland, Georgia, Texas, and the camp in the State Redwood Park in California, stretch the opportunities for a joyous summer in camp and preparation for a winter leisure occupation which cannot help but bring genuine satisfaction. Then in the fall, winter courses will be given at girl scout headquarters in Philadelphia. There are 13 troops on the Main Line, one in nearly every suburb and we are anxious to start more! Everyone adores girl scouting once they are in it! Those who desire more information can communicate with Mrs. Victor L. Zelov, Rosemont, Penn.

Last Sunday, Dr. Andrew Muter, of the Bryn Mawr Presbyterian Church held an evening service for girl scouts. Speaking on the subject "Girl Scouts," he told of the large part the organization founded by Sir Robert Baden-Powell along with the boy scouts plays in the lives of the young people of today—how the ways in which the girls between 10 and 18 choose to spend their leisure time are coming to be recognized as a vital part of their education and as helping to make or mar their later usefulness and happiness as human beings, homemakers and citizens. He stressed the importance of having able leaders—for so much depends on the leader! The Haverford troop, Miss Martha Payne, captain, were present, in uniform, 45 strong, and represented the girl scouts of the Main Line at the service.

Mrs. Charles C. Harrison, Jr., chairman of the Main Line Committee at their meeting Friday at the Bryn Mawr Community House, appointed the following committee to serve as Scholarship Committee and choose the leaders and junior leaders whose work for the year is outstanding: Mrs. David L. Phillips, of Cynwyd, Mrs. Lewis Van Deusen, of Overbrook, and Mrs. William A. Dyer, of Ardmore. The scholarships given by several citizens of the Main Line interested in scouting will give the girls two weeks at a national camp and traveling expenses to and from as a reward for good work during the past season.

The Main Line Committee gave out the following statement last Friday: Any one who solicits funds for "Girl Scouts" from house to house should be discouraged, for funds are not raised in that manner.

NORMALCY WANTED

By Weather Man in Barometer—Lack Results in Cold 'n Rain.

"The barometer continued below normal all week, resulting in cool and unsettled weather, rain falling on four days. Warm and dry weather is needed." So runs the weather report for the week ending May 17, made by Main Line Observer Charles Decker.

The temperature varied from 79 degrees to 43 degrees. Since May 1 the temperature excess is 16 degrees. This is lower than the same period last year. The excess then was 35 degrees.

Precipitation of 1.17 of an inch was reported for the week. The total since May 1 is 1.86 of an inch. The barometer was high at 29.99 and low at 29.64.

You can't
look at a tire
and tell how
far it will run

YOU CAN'T SEE a tire carcass because it
is covered by the tread. Yet the way
this carcass is built tells how far the tire
will run.

Dunlop has had 39 years to learn all the
hidden points where tires wear. Dunlop
carcasses are built from the best long fibre
cotton, spun in Dunlop's own mills into the
famous Dunlop cable-twist cord.

These cords are elastic, so they give and
take as your tire runs; strong, so they resist
constant load and pounding. They build
the best possible foundation for the Dun-
lop tread—the toughest rubber develop-
ment known.

Thus Dunlop's extra years of experience
build added value into every vital tire-
part. That is why, not one Dunlop—but
every Dunlop—gives you more service
than you can reasonably expect.

We recommend that you put Dunlops
on your car

FOUNDERS OF THE PNEUMATIC TIRE INDUSTRY

CALL SECOND LOAN FOR PAYMENT SOON

Local Banks Offer Facilities for Payment or Exchange.

Main Line banking institutions are co-operating with their patrons in exchanging or redeeming the \$1,700,000,000 of outstanding Second Liberty Loan bonds which Secretary Mellon has called for payment on November 15, 1927. Interest on these bonds will cease on that date.

While the bonds will be paid on November 15, 1927, it is quite probable that during the next six months the Treasury will extend to the holders of the Second Liberty Loan bonds an opportunity to exchange them for other Government securities. No announcement has as yet been made as to the type of security to be offered in exchange, or the date on which the exchange offer may be expected. The Treasury explains that the terms of the bonds require that a notice be given to the public six months in advance of the redemption date. The Secretary's announcement, therefore, does not mean that the bonds will be paid at the present time, but merely places the holders on notice that their bonds will be redeemed on November 15, and will cease to bear interest on that date.

If holders of Second Liberties desire to have their bonds redeemed, they should present them for payment on November 15, 1927, but if they desire other Government obligations in place of their Seconds, they should watch for further announcement and notify their bank to keep them informed of any exchange offering that may later be made by the Treasury.

In 1917 and 1918, it will be recalled, when the Government was selling bonds of the several Liberty Loans, a nation-wide campaign was conducted, every available facility being used to reach the public and sell the bonds. The situation is now practically reversed, and the Government is preparing to redeem or exchange some of these bonds. While no such elaborate canvass is contemplated for the redemption notice as was undertaken in 1917, the Treasury nevertheless is making a special effort to inform the holders of Second Liberty Loan bonds that their bonds will cease to bear interest on November 15. Banks and trust companies throughout the country will be asked to co-operate with the Government in spreading the news of this call for redemption, and in advising the holders of bonds that the Treasury will probably offer new securities in exchange. For the first time the radio will be used by the Government as a means of reaching the millions of bondholders.

Many Old Bonds Still Out.

The importance of acquainting bondholders with the fact that their bonds have been called for payment is emphasized by the Treasury's records of previous calls for redemption or exchange. These records show that there are still outstanding at the present time, in the hands of the public, about \$30,000,000 in Government securities upon which interest has ceased. Included in this amount are \$3,600,000 in Victory notes which ceased to bear interest in 1922 and 1923. There are also outstanding \$14,500,000 in temporary bonds of the several Liberty Loans, to which were attached only a limited number of interest coupons. The last coupons matured some seven years ago. The holders of these temporary bonds have neglected to exchange them for permanent bonds having the full number of interest coupons attached.

WATCH CHILDREN

"Drive Slowly" is Word of Caution by Automobile Club.

"While a child is taking a single step an automobile traveling at the moderate speed of twenty miles an hour is covering the width of a thirty-foot street. The stopping distance of a car traveling at this rate, provided the brakes are in proper adjustment, is thirty-seven feet. What chance has a child, or even an adult, if he steps suddenly into the path of a motor car, and what chance has the driver to avoid killing or injuring walkers if confronted by the impossible task of stopping in twenty feet when the best his ap-

proved brakes can do is to halt the machine in 37?"

In its campaign to reduce motor car accidents, the Keystone Automobile Club thus points out the hazard attendant upon operation of an automobile, and the necessity for care on the part of both pedestrian and motorist.

"If a car can be stopped 'instantly,' as many motorists profess to believe," says a statement by the club, "the rapid covering of ground would not be so menacing. But it is an established fact, incorporated in the rules of State Highway Departments, that rear-wheel brakes in perfect working condition should bring a car to a stop in thirty-seven feet when the vehicle is proceeding at twenty miles an hour.

"We believe that if all drivers of motor cars will give serious thought to speed in terms of seconds, it will have a sobering effect on those who are inclined to be careless or overconfident of their ability to stop under any circumstances.

"The only safe rule for any driver when children are in sight is to slow down to fifteen miles an hour or less and drive with the greatest caution. Childhood is irresponsible and children probably always will do the unexpected. Therefore, the duty devolves upon the motorist to be prepared for any contingency, and the only way he can be prepared is to drive slowly when children are playing on sidewalks or in the street."

THE BIG QUESTION

What kind of lumber shall I select for the several repair jobs around the house?

First thing to be considered is your budget.

Second, do you want to make a temporary repair or permanent one?

Third, can you wait indefinitely, or do you want to start immediately?

It's a rather mistaken idea that a board must be clear of knots to prolong its life. Quite the opposite is often true. In White Pine, for example, you may get a board that is practically all cut out of the sap part of the tree, and it will rot quickly. The heart boards may be full of knots, but the lasting quality is there, and, if properly painted, the knots will be obscured. There is quite a difference in the cost of these, and you are getting the longer life out of the cheaper board.

We will be closed May 28 and May 30.

Let us take care of your orders Friday.

SHULL LUMBER COMPANY

29 Bala Ave., Bala-Cynwyd

Cynwyd 662

The Taste Test

One certain way to tell how GOOD PIE can be is to taste it. Tomorrow order a Pie from us and make the taste test. Many kinds to choose from.

Buy across the Counter

WHEN you buy across the counter in the stores of this town, you are using good business judgment. Why? There are many reasons, but one of the most important is this:

You can buy what you want at the price you wish to pay! You are not obliged to accept "something just as good," because you are in a position to compare values and make your own selections.

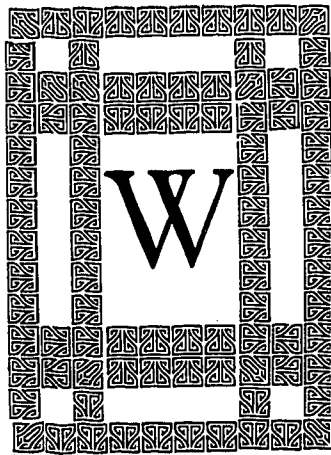

When you trade at home you are helping your friends to help you! And there is no finer thing in life than neighborly co-operation. It always pays—in happiness and satisfaction as well as dollars and cents.

Read the Ads in this Paper and save yourself money by trading at home

TONIGHT

COULD every home have its daily bread and meat tomorrow? Would the youngster's tummy get the necessary dose of castor oil? Would all the men who ride into town on the 8.18 have their morning smoke? Would the plumber be able to fix that bad leak in the furnace? Would ---but why go on? It's quite apparent that Narberth needs its shopping district.

The stores in Narberth, the repairmen, the builders, the painters, the paperhangers all do business for the convenience of Narberth's people. The business part of our community is essential. But good will alone does not maintain business enterprise. Every business man needs profit. In order to get profit he needs business. That means "Buy in Narberth." Not only the emergency items like the quickly needed extra can of soup for the unexpected company or the closet hooks that dad promised to put up to-night, or the paregoric that the doctor ordered late in the afternoon. But all of the things you need or buy because you want them---they are on sale in Narberth's stores. No need to go outside of Narberth for Architects, Builders, Roofers, Plumbers, Plasterers, Electricians, Paperhangers and Painters. Do business with Narberth's people in Narberth. Before you go elsewhere, ask yourself the question---"CAN I BUY IT IN NARBERTH?"
